

OPTIONAL

SMARTCLASS CONTENT

SmartClass Content is a digital library of language content.

- Curriculum in English, Spanish & German including over 5,000 digital activities
- Based on the CEFR language proficiency standards
- Designed by teachers for teachers
- Available as an option with our SmartClass HUB

LET'S TALK! ENGLISH CURRICULUM

Let's Talk! English is a digital curriculum to help ESL/EFL students improve all language skills.

Why do teachers love our English curriculum?

It includes over 2,500 digital activities. Teachers control which activities they assign - half are auto-graded by the system.

Reading, writing, and grammar-based lessons include many fun, interactive listening and speaking activities.

ESPAÑOL Listening & Speaking SUPPLEMENTAL CONTENT

Spanish Curriculum with over 1,200 activities covering CEFR levels A1 to B2.

¿Habla español?

Your students will want to practice their listening and speaking skills with our authentic native speakers.

DEUTSCH Listening & Speaking SUPPLEMENTAL CONTENT

German Curriculum with over 1,200 activities covering CEFR levels A1 to B2.

Sprechen Sie Deutsch?

A digital supplemental curriculum designed to help students improve their listening and speaking skills.

Learn more about our language content here.

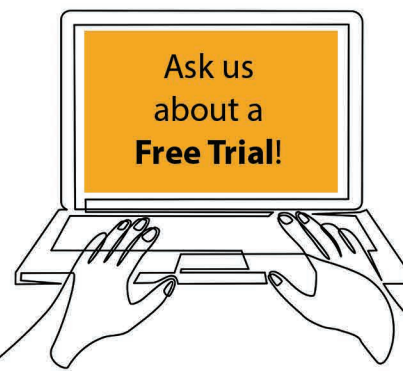

SMARTCLASS CONTENT

Creating, assigning and grading has never been so easy with this all-inclusive platform.

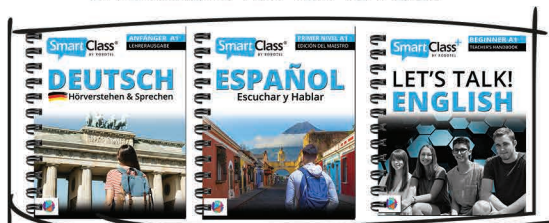

Activities offered for each language:

	GERMAN	SPANISH	ENGLISH
